# THE DETAILS MAKE US BETTER

Shaker door and drawer fronts feature a five-piece solid wood frame with an MDF center panel. Slab door and drawer fronts are constructed from 3/4" eco-friendly engineered furniture board.

Durable edge banding offers superior resistance to heat, moisture and bacteria.

6-way adjustable soft-close hinges allow doors to close silently and smoothly.

Non-toxic surface is safe, durable, and easy to clean.

Full access frameless cabinets allow for 15% more storage than framed cabinets.

Matching toe-kick and side panels sold separately.

InvisaGRIP™, our hidden joinery technology, ensures a beautiful finish with no visible fasteners. (Available Summer 2026)

Interior metal support brackets reinforce corners and create a stable and long-lasting foundation.

Slim 1/2" double-walled metal drawer with a 5/8" plywood bottom and rear panel supports.

Full extension concealed under-mount soft-close glides support weights up to 75 lbs.

16" adjustable, 3/4" thick plywood shelf with six finished sides and four metal shelf clips to withstand heavy items.

Sturdy 3/4" white plywood (11-ply) box construction with a white TFL interior and exterior finish for clear visibility of cabinet contents.

## BOLD AND DRAMATIC WITH UNDENIABLE APPEAL

The Urban™ Collection is masterfully crafted with the utmost attention to detail. Whether it's subtle textures or bold arousing colors, each adds an intriguing depth and visual interest to a room.

**✓ DURABLE CONSTRUCTION**  
The 3/4" furniture-grade plywood (11-ply) box construction is 50% thicker than industry standards and features a super durable TFL (thermally fused laminate) finish.

**✓ INNOVATIVE TECHNOLOGY**  
Resin based TFL is permanently heat bonded to the substrate; it will not peel or fade and has superior impact resistance.

**✓ DOORS MADE IN THE USA**  
Discover the excellence of American-made cabinetry. Urban flat panel doors and drawers are manufactured in Tampa, Florida with materials sourced from American companies.

**✓ 10 YEAR WARRANTY**  
Assures the cabinetry you are buying is of good quality and without manufacturing defects, for years of worry-free enjoyment.

**✓ EASY TO CLEAN**  
Easy-to-clean surfaces means you spend more time enjoying your cabinetry and less time cleaning them.

**✓ CARB2 CERTIFICATION**  
Carb2 compliant means the cabinetry has met and exceeded the strict standards for formaldehyde emissions.
